Notice of Increase in Water Rates

Effective July 1, 2024, the water rates charged by the Lost Springs Ranch Water Supply Corporation have been increased as follows:

Monthly Base Charge

The monthly base charge will increase from \$60.00 to \$80.00 per month.

Monthly Water Use Charges

There are no changes to the current rate tiers. Rates will remain –

- \$5.00 per 1,000 gallons for the first 10,000 gallons used per month
- \$6.00 per 1,000 gallons for 10,001-20,000 gallons used per month
- \$7.00 per 1,000 gallons for all use above 20,000 gallons per month

The WSC Board is enacting this change in order to create a contingency fund within the WSC's annual income to offset the cost of any emergency the system might incur. This rate increase is subject to review by the Board as funds are secured for this purpose.
